GERMANS OPEN DEADLY ARTILLERY FIRE ALONG 8 MILE BATTLE FRONT

SLAUGHTER OF TEUTONIC TROOPS IN
MASS FORMATION IS DESCRIBED AS AL-
MOST UNBELIEVABLE; CRISIS NEAR.

(By International News Service.)

PARIS, Feb. 25.—While continuing to hurl great masses of men against the French lines, the Germans have begun a shattering bombardment of the outer defenses of Verdun, Doubellville, Dedouaumont and Demarre are being subjected to terrific fire from big guns stationed along an eight-mile front between Consonveye and Ornes.

It is stated that more than 400 cannon mounted behind the Teuton lines will pour a deadly fire on the Allies redoubts which will be returned with interest by the French. The coming artillery duel will make all former battles of a like nature seem like mere fire-works. Inhabitants of the region claim the thunder of the guns may be heard for a distance of 30 miles.

Military experts throughout Europe believe this is the fore-runner of a general offensive movement by the Teutons all along the line, in a supreme effort to smash through to Verdun and other vital points. The struggle is described as infinitely more bloody than any heretofore. The fields are literally piled high with the dead. The French losses are severe, but the German slaughter is described as almost unbelievable owing to the mass formation of the Kaiser's troops and their apparent disregard for human life.

An official statement made by the French war office admits the evacuation of Beaumont, five and one-half miles north of Verdun. The Allied forces are raking up positions along the heights east of Champagneville and south of Ornes. The an-

HEAD OF THE BIG SEELBACH HO-
TEL SPEAKS IN GLOWING EN-
COMIUMS OF THE MORNING HO-
TEL NEWS.

"The Morning Hotel News is the greatest advertising medium for tourist hotels, transportation companies and others who desire to reach a class of people who really are able to spend money for just what they desire that has ever come to my notice," says Louis Seelbach, managing director of the Seelbach hotel of Louisville, Ky., who with Mrs. Seelbach and their daughter, are guests of the Hotel Despland. Mr. Seelbach reminded a News representative that the number of papers read by hotel guests one morning does not represent the circulation of the paper for the reason that the guests of the hotels are constantly changing and different people are reading the paper different days, so that during the course of the season every hotel guest who visits the locality peruses the paper. "A remarkable feature about the Morning Hotel News," continued Mr. Seelbach, "is that it is a real, readable newspaper, carrying a superb telegraph news service."

This is Mr. Seelbach's first visit to Florida during the winter season. Years ago he made a brief business visit to the state, but never before has

CITY COMMISSIONERS ENGAGE SARACINA'S VIRTUOSO BAND

ARRANGEMENTS MADE FOR BAND
TO REMAIN HERE TWO WEEKS
AFTER CONCLUSION OF CON-
TRACT WITH C. G. BURGUYNE.

Here is a bit of news that will be hailed with delight by all music lovers among residents and visitors of Daytona and vicinity and will in fact be pleasant reading to all persons interested in the city and the entertainment of its visitors.

The Saracina Virtuoso Concert band, whose contract with Commodore Burgoyne expires April 1st, has been engaged for the first two weeks in April by the city commissioners. This action of the commissioners meets with the hearty approval of Commodore Burgoyne.

It may be stated in this connection that some of the larger hotels will remain open after the first of April for the accommodation of visitors who desire to remain longer in Daytona and who would otherwise feel that they were obliged to continue their journey northward. This coupled with the proposal of the Florida East Coast railway to do everything possible for the accommodation of its patrons from this city, and the fact that Easter is late this year, will have a tendency to prolong the season here. At any rate, there will not be the feeling that the season has ended with the first day of April and that visitors are no longer welcome.

WILSON ASKS HOUSE TO HALT ALL AGITATIONS; STILL STANDING PAT

CONFERENCE BETWEEN CLARK, KITCHEN,
FLOOD AND CHIEF EXECUTIVE FAILS
TO FIND SOLUTION FOR DEADLOCK.

(By International News Service.)

WASHINGTON, Feb. 25.—It is reported the president today called upon Speaker Clark, Majority Leader Kitchen and Chairman Flood, of the house foreign affairs committee, to at once stop all agitation in the house in favor of congressional interference in regard to the international situation.

For nearly an hour the trio canvassed the question with President Wilson, but it is understood the meeting utterly failed to bring about a permanent agreement. While the leaders promised to exert their influence in preventing the passing of embarrassing resolutions at the present time, they made plain to the chief executive that, if the measure warning Americans off belligerent vessels came to a vote it would be passed two to one.

The president stood pat on the contents of the letter to Stone and charged congress with attempting to infringe upon the constitutional rights of the executive branch of the government. Speaker Clark stated after the conference he fully expected Germany to postpone her drastic action in the new submarine campaign until March 15 or April 1. He further promised President Wilson if such should be the case, the peace resolutions before congress would remain stationary for the time being.

CRITICISM

Is not always pleasant, but it is often the means of improving the quality of our work.

There is a difference between the posts I built twelve years ago and the ones built in MARSHALL PARK this season and the ones we are building for Mr. Pierce on Ridgewood Avenue, North Daytona. Also, there is only a faint family resemblance between the blocks made then and now.

Sure of One Thing.

The Town Council of a thriving Scotch burg recently acquired a piano for their town hall, and appointed three of their number to inspect and report on the purchase. The councilors were not musical experts, but one—a joiner—bending down and applying his eye to the several corners of the instrument, remarked: "I'm nae judge o' music, but I'll warrant ye a' the boards are plumb."

Rings of Saturn.

Recent spectroscopic analysis of Saturn's rings indicates that they are composed of solid matter, probably dust, that is, nebular matter which has passed through its liquid to solid form, and is now furnishing that planet with a dustlike material similar to that of the earth during the quaternary period.

Amusements"THE GALLEY SLAVE"
AT ORMOND TODAY

Williams Fox presents Theda Bara in "The Galley Slave," at the Ormond today.

This production, master work of a master dramatist, fitted with the complete effectiveness usual to Williams Fox photoplays, given to Theda Bara, dardmost Vampire woman of the Theatre Anne of Paris, unlimited opportunity for the display of her wonderful powers of dramatic interpretation. Miss Bara is cast as Francesca, an artist's model. Annette Brahm (Stuart Holmes), a poor painter, attracted by her beauty, wealth, and a child, Dolores (Little Jane Lee), is born. Some after this, Annette's uncle dies and the artist inherits the property and title of Baron de Bois.

Given tired of Francesca he casts her off and departs for his new estate. On his way he meets Gladys Blaine, an actress, and falls in love with her. Gladys leaves Sidney Norcott, to whom she is engaged, Francesca, the deserted wife, traveling in search of her husband, is bedeviled by Norcott, and the Baron aided by circumstances contrives Gladys that her lover is untrue to her. In revenge she accepts the Baron's proposal and the wedding follows. Norcott, who has learned the truth, tries to prevent the marriage, but arrives at the church just too late. He follows the wedding party, and secures a private audience with Gladys. When she learns the story from Norcott, the new made Baroness swears in her lover's arms. The Baron, discovering them in this position, has Norcott arrested as a burglar and sentenced to the galley. Francesca, a thief for the sake of her child, also goes to the galley. Gladys refuses to live with the Baron and she and her friends succeed in establishing Norcott's innocence. Both he and Francesca, worn by the terrible experiences on the prison ship, are released, and in a strong and thrilling climax the rascally Baron is confronted with the evidence of his crimes and made to suffer the inevitable penalty.

"Damaged Goods" is conceded to be a gem in pictures, portraying the awfulness of sin and the price of vice. Ministers and other prominent men, throughout the country, commend this photoplay.

"Damaged Goods" will be shown again today and tomorrow at 10:40 a. m., 1:40 and 7:40 p. m., at the Crescent theatre.

Children under twelve will not be admitted unless accompanied by parents or guardian.

"WOMAN AND WINE"

AT ARCADE THEATRE

A brief story of the photoplay taken from the stage play in which is shown the same characters, including William Elliott in "Woman and Wine," as shown at the Arcade today, is as follows:

Dick Reynolds (impersonated by Mr. Elliott), is fortunate in having a nice father and a nice girl as sweetheart. Money is coming to him. But, tempted by Woman and Wine on the great white way of New York, he falls down badly.

His money is in Paris. In that city he goes from bad to worse and is accused of murder. From good and death there seems no escape. But his father and sweetheart have been loyal to him and he is proved innocent of the crime and saved. He finds happiness by shunning bad company and bad habits.

Mr. Elliott has a fine part in that of Dick Reynolds. It calls for sustained acting through many long and try scenes.

The settings in New York and Paris are brilliant and effective and Mr. Elliott is supported by a powerful cast.

ORMOND

ORMOND, Feb. 24.—Mrs. Isabelle B. Simpson, of Lynn, Mass., is again in Ormond, having arrived on Saturday evening. Mrs. Simpson, on account of the illness of her father, has been unable to come south for the past two winters, and her many friends are extending to her a very warm welcome.

Mrs. Frank Graves and daughter, Miss Ella Graves, of Brooklyn, N. Y., are guests at the Borden home on Palmetto street. Mrs. George Halliday, of Wallkill, N. Y., daughter of Mrs. Borden, is also a guest of her mother.

The annual Union church fair and sale will be held at Hotel Ormond on Thursday, February 24th. The ladies are making elaborate preparations and a large attendance and patronage is looked for.

Mrs. John R. Richmond received word on Saturday of the passing away of her mother, Mrs. Gordon, at the family residence in Brookfield, Pa. Mrs. Gordon had been ill throughout the summer, Mrs. Richmond remaining with her until very late in the fall. As she had been quite frail for some time the tidings were not quite unexpected. Another daughter, Mrs. Foster, also of Brookfield, is spending the winter months with Mrs. Richmond, and both have the most sincere sympathy of their Ormond friends.

Mr. and Mrs. L. Ray Clements entertained with a Valentine party at their pretty bungalow on Palmetto street, on the evening of February 14th, for their sister, Miss Gertrude Hanson. The house was made very attractive with valentine decorations, red candles and soft red lights. Many delightful contesting games were enjoyed, after which six tables of hearts were made up. Miss Ethel Francis and Dr. Will Richmond proving the fortunate winners of the favors. Delicious refreshments were served by

the hostess, the guests departing at a late hour after a thoroughly enjoyable evening.

Mrs. Frank Foster, of Buffalo, N. Y., is in Ormond, a guest at Rose Villa. Mrs. Foster spent a season here several winters ago with Mr. Foster, occupying the George Howe bungalow, also the following season one of the Burr cottages. Her friends, who remember her very pleasantly, are glad to welcome her.

Mrs. J. J. Burton, of Chicago, is with her daughter, Mrs. Stanley Gernell, on Lincoln avenue, for the remainder of the season.

Paul Pinkerton, of New York City, is in Ormond for a few days, a guest of Mrs. J. D. Price, at Hammock Home.

The young people held a dance in the auditorium of the Memorial Library on Tuesday evening. There was not a very large attendance, but those participating had a very pleasant time.

The friends and acquaintances of Mrs. Kate Betts will regret to learn of her death which occurred on Sunday night, February 13th, at her home on Granada avenue, on the Peninsula. The services were held at the Ormond

cemetery at 4:00 o'clock on Tuesday afternoon, where the interment took place, and were conducted in the absence of Canon McGrath by the Episcopal minister from Daytona. Mrs. Betts is survived by her son, Harry, who has given to his mother years of devotion and companionship, and who has the sympathy of all.

Mr. and Mrs. George F. Hollister, whose winter home is now at Lake Alfred, Florida, were weekend guests of Mr. and Mrs. John Milligan on Palmetto street.

Joseph R. Allen, of Dover, N. J., is quite ill at the home of his niece, Mrs. Andrew Baker, on Palmetto street. Mr. Allen, who is quite aged, had a paralytic stroke a short time ago.

Mrs. George Sage entertained informally at her charming home "Meridale," on Thursday evening. Mr. and Mrs. Hale, of Indianapolis, Ind.; Mr. and Mrs. Philemon Robbins, of Hartford, all of whom are guests at Bretton Inn; Mrs. Lawson Bell, of Geneva, N. Y., a house guest of Mrs. Sage; Mr. and Mrs. John A. Reilly, Miss Reilly and Mr. and Mrs. Fred Bassett.

Mr. and Mrs. E. A. Morris, of De-

troit, Mich., are now in Ormond for a short stay. The friends and acquaintances of this genial couple are always pleased to see them and regret their inability to be here for a longer time.

Those members of the Ormond Village Improvement Association, who attended the reception given by Mrs. Murray L. Stanley, president of the Palmetto Club, given to the State Federation Board at the Burgoyne Casino on Wednesday evening of last week, enjoyed a very pleasant and social time.

On Thursday afternoon several members of the V. I. A. attended the County Meeting of Women's Clubs in Volusia County, held at the Palmetto Club, Daytona. Miss Katherine Thorpe, vice president of Section 4, presiding. Several of the clubs had been asked to furnish one number of the program. Miss Margaret Shaw, representing the Ormond club, and rendering a very fine musical number. Miss Weatherbee, president of the V. I. A., also made a short address in response to the call on the presidents of the various clubs.

Mr. and Mrs. George N. Rigby and

from Miami and other East Coast points, having had a delightful trip, their son, Lawrence, have returned.

Valuable Nut.
British scientists have discovered that a nut allied to the nutmeg that grows in Brazil yields an oil of much value in the manufacture of soap.

Trapping the Elusive Mouse.
Every housewife has had the experience of finding a carefully prepared mouse trap denuded of its bait but unsprung and minus its victim. This can be avoided and Mr. Mouse's capture assured by using for bait cheese crumbs instead of a large lump. To get the crumbs the mouse must press down and this sets off the spring. A lump, on the other hand, is easily stolen.

Papa Probably Did.
Paul had been naughty, whacking at the parlor chairs, and poking the cushions with an ornamental sword, and as a crowning horror, in examining a meerschaum pipe had dropped and broken it. In grim silence his father glared at the wreck and Paul stared back at him, transfixed, till at last he broke the tension himself. "Well, why—why—don't you do something?" he demanded.

ALLANDALE**YE INN**

Along the roadside, nestling amongst the oaks and clinging moss, it can scarcely be seen—"Ye Inn"—reads the modest sign, and if you slow down your car you can read the legend in smaller letters "Ye Sign of Ye Nimble Cook."

WHY IS IT THERE?

To satisfy the inner man with the most tempting dishes, properly cooked and daintily served. It is only just giving promise of what it will eventually be—the haunt of those with epicurean tastes, a refuge for those, who, while they love the good things of the table, want rest and relaxation.

Beds that rest tired bodies and allow one to relax—better beds are not made. Have you never sought such a place in your travels? Here is one that is advertised solely by its patrons—its loving friends.

Why not come try it yourself—stop for a cup of tea in the afternoon, or a dainty luncheon at noon-time—an appetizing supper, late in the evening if you like, or a real "Shore Dinner." Prices range to suit your taste—order what you want, and you will get your money's worth every time.

IT IS UNIQUE AMONG INNS

The development of an idea—it gives promise of further improvement because the owner is imbued with the idea of progress, and the hostess with that of pleasing people.

THIRD TENNIS COURT
COMPLETED FOR GUESTS

The management of the Clarendon hotel has recently finished a third tennis court on the grounds in front of the hotel for use of the guests. This court is a beauty, being very spacious and having an excellent surface for play.

This game has been one of the most popular of sports among those enjoying the 1916 season at the Clarendon, and this new court has been needed since the first of the season to accommodate the numbers desiring to play. Even with the new court, many have to wait their turn.

ST. PATRICK'S DAY

BALL AT CLARENDON
Coming! Coming! Coming! The greatest social event of the year at any of the hotels, the St. Patrick's Day ball at the Clarendon on the 17th. This will surpass any other like occasion in the history of the hotel, during the present or any past season.

The beautiful lobbies and dance halls of the Clarendon will be decorated in the colors of "Ould Erin" as well as the main dining-room and grill-rooms.

Guests of the hotel and visitors are expected by the hundreds, and everything will be in readiness to accommodate a thousand merry-makers on the night of March 17th.

One of the most interesting social functions given at the Seaside Inn this week was the card party Wednesday evening. The tables were arranged in the spacious parlors and bridge and five hundred were played. At the conclusion of a number of interesting games, scores were compared, and Mrs. Martha Glenn and Miss Shelby holding highest totals, were presented with handsome prizes. These card parties are given every Wednesday evening by the management of the hotel, for their guests and friends.

Mr. and Mrs. C. S. Grover, of Lynn, Mass.; Mr. and Mrs. M. Merritt, of Hendersonville, Ky.; Mrs. Scott, B. B. Scott, Geo. Droughant, of Orlando; Mrs. W. A. Hopkins and maid, of Columbus, Ohio; G. H. Faatz, F. L. Faatz, of New York; Mrs. D. J. Burr Heeyes, Miss A. H. Ables, of Henderson, Ky., stopped at the Princess Isseena for dinner Wednesday.

How Water Melts Stone.
There are two things in rain besides the water itself that have the power to melt things, even the hardest stone, such as granite. These two things are nitric acid and carbonic acid. These acids eat away the stone, so that it seems the water slowly melts it.

Avoiding Danger in Mines.
It is fairly a problem to install motors, controllers and other apparatus in mines in such a way as to avoid the danger of igniting fire damp. Modern practice in Europe now provides three protecting methods—all enclosed, partly enclosed, with use of wire gauze plates, and oil bath apparatus. Various apparatus, such as transformers, controllers and switches, need to have a special design for use in mines, not only on account of fire damp, but because of prevailing dampness and mist.

GERMAN-AMERICAN LADIES AUXILIARY MASQUERADE BALL

The Ladies' Auxiliary of the Ger-
man-American Club of Daytona, gave
a masquerade ball in the Arcade ball
Thursday evening, which proved to be
a most successful affair. It is an an-
nual function, and is looked forward to
by the ladies and gentlemen of the
club with much enthusiasm. The mas-
queraders came in all sorts of cos-
tumes, and there were a goodly num-
ber there. The revelers were allowed
full sway of the floor, performing
their antics before a much amused
number of spectators.

A pleasing musical program was re-
sented by the Crystal orchestra
throughout the evening. Promptly at
10:00 o'clock a grand march was in-
stigated and three judges were select-
ed from the on-lookers to pick the prize
winners. It was no easy matter to
award prizes, for each and every im-
personator was very good, and after
much due consideration the prize for
the most original costume was given
to Mrs. John Kule, who was attired
in a covering of Spanish moss, most
unique, indeed. Mrs. E. P. Harnett
was awarded the prize for the funniest
ladies costume. She portrayed Anna
Semina in perfection, and represented
two colored mammae all in one. Miss
Blanche Metzger was given the prize
for the prettiest costume. She re-
presented a Spanish dancer, most ur-
bane and graceful, with all the com-
ber of the Latin race. The best dress-
ed man was Louis Brown, who appear-
ed in a faultless military costume, re-
ceiving this prize. "Circus Cy" was E.
A. Harnett. He was good, as much
so that he captured the prize for the
funniest man. He was Circus Cy from
the country in a show. He was laden
with all his belongings, carrying the
luggage, his pointer, and his theatri-
cal umbrella. He appeared all ready
to make a journey, and his bag was ap-
propriately labeled "The Prettiest
Winter Resort in the World."

Noteworthy among the other cos-
tumes was a very pretty red and pe-
low Turkish dress, worn by Mrs. Marie
Schmidt. Much amusement was caus-
ed when it was discovered at the un-
masking that the old man who walked
with a cane and had a painted lip,
was none other than Mrs. Henry
Schmidt.

Mrs. E. A. Harnett wore a black
and gold butterfly creation, which is
worthy of special mention.

Chicken sandwiches and coffee were
served by the ladies in an internu-
ment, after which dancing was enjoyed
until midnight.

A great measure of praise is due the
ladies of the auxiliary for the splendid
success of the affair of which Mrs. E.
A. Harnett took a most active part.

ELABORATE CARD PARTY AT PRINCESS SIGENA

One of the most elaborate card par-
ties of the season was given in the
red room of the Princess Sigena.
Thursday afternoon, when Mrs. John
Cappelbauer and Mrs. Arthur Plummer,
of Pittsfield, Mass., entertained a num-
ber of their friends at dinner. The
charming society function was given
by these ladies in honor of Mrs. E. F.
Bingham, of Buffalo, N. Y., and Mrs.
A. Price, of Tomahawk, Wis.

Fourteen tables were devoted to the
game, by a gathering of beautifully
dressed ladies, representing some of
the most prominent women of Day-
tona, Daytona Beach and Seabreeze.
Mrs. C. McManis, of Seabreeze,
acted as hostess and was given the first
prize. Mrs. Harnett, second, and Mrs.
E. P. Harnett, third.

After the card game a dancing hour
was enjoyed, during which a delicious
dinner course, followed by local cake
and coffee, was served.

John E. Cappelbauer entertained a
number of his new friends Thursday
evening in his home in his beautiful
residence on Seabreeze beach. Mr. Cappel-
bauer proved to be a most jovial host,
with plenty of wit and a great deal
of hospitality. The guests were Rich-
ard Magee, of Syracuse, N. Y., Arthur
Plummer, of Pittsfield, Mass., E. F. Bary,
Mrs. L. Wernick, Charles Frost, W. J.
Owens and Mr. Blain.

FLORIDA DAY AT THE PALMETTO CLUBHOUSE

Thursday afternoon "Florida Day"
at the Palmetto Club, was observed
in a most befitting manner by the
club members upon a perfectly ideal
Florida day. The auditorium was well
filled with the club ladies and friends,
who enjoyed a most pleasurable few
hours. The audience was beautifully
arranged with our flowers and ferns,
while the stage was attractively de-
corated with graceful bamboo screens,
and in a happy on either side of the
stage, palms, leaves, ferns and palms
were filled in the space between
the floor and the stage, yellow pen-
sance and its foliage forming a screen
across the top. Bowls of Cherokee
moss and vases of yellow daisies
were used upon the plant and table.
A handsome flag of Florida was used
as a background for the stage, and
was indeed most efficacious.

Preceding the regular program, Mrs.
Murray L. Stanley, club president,
made several announcements of inter-
est to the club, calling for the naming
of delegates and alternates for the
annual convention to be held in New
York in May. As a result, Mrs. M.
L. Stanley was elected first delegate,
Mrs. William Howard, second dele-
gate, Mrs. Charles E. Raynor, third
delegate, Mrs. W. E. Harnett, first
alternate, Mrs. W. P. Langworthy,
second alternate, and Miss Ellen New-
all, third alternate.

The afternoon's program was in
opening sports of sixteen young la-
dies of the club grade of the Daytona
school, who most charmingly sang the
one appropriate song, "Florida, My
Florida." These maidens were very
sweet in white frocks and the ever
present wreaths of orange blossoms
arranged in their hair.

The next number was a paper on
the "Early History of Florida," by Mrs.
L. M. Harnett, who has lived here a
number of years and was most fami-
liar with her topic.

The next number was a most inter-
esting paper upon the "Early History
of New Smyrna," by Mrs. D. Perkins
Smith, of that town. Mrs. Smith has
lived in New Smyrna all her life, and
her brochures have lived there de-
cades, and her narrative was most en-
lightening upon the facts of the early
settlement of this famous old town.
Particularly interesting were her stories
about her grandparents, and her child-
hood's recollections of the subject.
Mrs. Smith's delivery was particularly
good.

A prize song, "A La Bamba," a
valley song, Edward Schuch, by Miss
Blanche Metzger, showed splendid
technique and was much appreciated
by the audience. Miss Metzger re-
sponded to an encore, playing McDow-
ell's "Whispering Dance" most pleas-
ingly.

Mrs. Celeste Hinks was then called
upon to give a few of the "Legends of
Florida." This charming lady was
most interesting, and in her own cap-
tivating way related the legend of the
"Fountain of Youth," the legend of the
Spanish moss which graces the val-
leys throughout Florida, the legend of
the "Coco's Mill Pond," and the
last, the most romantic and beautiful

of all, the legend of the "Cherokee
Rose." The appreciative audience
was enthusiastic in its applause.

The afternoon's program closed with
a few well chosen words from the club
president, Mrs. M. L. Stanley, relative
to the "Royal Palm Park" near the
Seabreeze, just below Homestead.
This park has been set aside for the
Florida State Board of Federated
Clubs, 900 acres of which have been
given by the state, and 900 acres by
Mrs. Henry M. Harnett. It is proposed
to use part of this park for preser-
vation of the different species of palms
which grow in Florida, and part for the
cultivation of vegetables, the sale of
which will be devoted to the better-
ment of the park.

This closed the afternoon's program.
The hostesses were Mrs. Charles S.
Harris and Miss Mary C. Wilder.

A Williams returned today from a
northern trip of about two weeks' dura-
tion, and rejoined his family at his
winter home on South Ridgewood ave-
nue.

THE WEATHER

FOR FLORIDA: Fair throughout state; light frost in north portion tonight; winds, fresh, west to northwesterly.

Optimist Department, Devoted to Cheering Up "The Land of Sunshine."

A famous man once said before a congress of the by-gone age: "True patriots all; for be it understood, we left our country for our country's good!" Now, far be it from us to throw any slurs at German-Americans but, judging from some of their acts in Uncle Sam's land, perhaps they committed a deed of patriotism when they migrated to the United States. (We will probably receive a bomb in the editorial office at least by tomorrow. The report of it will be published in Saturday's paper. Get under the building; the dog catcher's in the street!)

Somebody living out on the end of Long Island makes the suggestion of hanging the following in placard form in the house and senate for the benefit of the western representatives and congressmen. "To be prepared for war is one of the most effectual means of preserving peace."—George Washington. It might do some good, and yet—and yet—!

Well, gentlemen, stop worrying about such details and fasten your hooks on the following twister:

EARTHLY PROBLEM, NO. 1.

Men live and love and fortunes find.
 And pray with church bells chiming;
 And yet that spectre of mankind,
 The gas-bill's always climbing.
 Congress votes and nations fight.
 But meters never worry;
 They hum throughout the day and night,
 "The gas-man's in a hurry!"
 The price may sink on bread and stuff,
 That you and I are eating;
 But gas-men never get enough,
 The meter keeps on cheating.
 The country may be lost in tin,
 While dogs of war are growling;
 But "shove another quarter in!"
 The meter keeps on howling.
 And if you hold your purse-strings tight,
 Tom, Murphy, Jones or Mike;
 You'll find tonight, you're out of light,
 The meter's on a strike.

PROMINENT NEW YORK HOTEL OWNER THINKS HOTEL NEWS "GREAT"

George H. Newton, the genial owner of the palatial Prince George Hotel of New York City, who has been pleasantly located at the Despland during his brief visit to Daytona, declared to a News representative yesterday that it was his belief that the Morning Hotel News was certainly a fine proposition and that he was delighted with the copies he had had presented to him.

In referring to his visit to the South, Mr. Newton mentioned that he had left New York on February 15th, and that the object of his Southern visit—apart from pleasure—was for the purpose of looking over the hotel situation and with the additional object of seeing personally acquainted with the tourists who expect to visit New York.

Mr. Newton is one of the best hotel men in the country—he was prominently connected with Mr. Whipple of the famous Parker House of Boston for some eighteen years, was with the old Fifth Avenue Hotel until the time of its closing, some eight years ago, and from the date of the closing he has been manager of the Prince George Hotel. During this period of time—eight years—Mr. Newton, by his able and efficient management and genial personality, has built up an enviable patronage for the Prince George.

Mr. Newton is, naturally, proud and enthusiastic about his hotel, and declares that it has the finest lobby of any hotel in New York City, and that approximately one million dollars have been spent during the past two years in additions, alterations, improvements, furnishings, etc. He added that the Prince George is aptly described as "a friendly hotel," and that it is not only one of the most beautiful, but one of the most homelike and comfortable as well; that it has 800 bedrooms, all with bath; a Grand Foyer, luxuriously decorated and furnished as a spacious lounge room, which has been newly added on the ground floor, and that the hotel is of fireproof steel construction. Last but not least, is the excellent table. The "Model Prince George Farm" provides vegetables and dairy products, and

the sea food comes direct from Cape Cod.

Mr. Newton, during his tour South has visited Jacksonville, St. Augustine, Palm Beach, Daytona, and will spend today at St. Augustine from which point he anticipates visiting various resorts on his way North—especially Asheville, N. C., where the famous Battery Park hotel and Grove Park Inn, are located.

GREEN AND FITTER WIN THE DESPLAND DOUBLES TENNIS CHAMPIONSHIP

CLOSE, HARD PLAYING RESULTED IN DEUCE SCORE AT END OF 4TH

SET; VICTORS STAGED WHIRLWIND FINISH.

After five hard-fought sets with many deuce games and a wealth of snappy playing, Raymond Green and Fitter secured the Despland tournament doubles championship. The match was played yesterday, Abbott and Kimball, of the Hotel Ormond, put up a big fight and the audience hung in doubt during the entire play as to where the final honors would rest.

The first set alternated favor with a game for the service until the score closed at 7-5. The second was also a deuce set with a score of 7-5. Then Abbott and Kimball gathered up "pep" and startled their opponents in the third set with a score of 6-5.

At the beginning of the fourth set, the audience was inclined in favor of the Ormond team. Again Abbott and Kimball out-struck and out-played Green and Fitter. They passed the men at the net and drove them back to the tune of 1-6.

Excitement could not have reached a higher pitch in the national championship than at the opening of the fifth and decisive set. Opinion was split evenly. Somewhat to the surprise of all, Green and Fitter staged a whirlwind finish, although Abbott and Kimball put up a fight worth remembering. The Daytona team proved a bit faster and a bit more accurate during the last seven games. The championship was awarded over a final score of 6-1.

GREAT GAINS IN THE SOUTH AMERICAN TRADE

WASHINGTON, Feb. 25.—Loss of
the trade of the central powers,
mounting into the hundreds of mil-
lions since the war began, has been
largely counter-balanced by the re-
markable increases noted in the for-
eign trade record with the nations of
South and Central America.

Brazil and Argentina, two of Uncle
Sam's best customers in Latin-Amer-
ica, have bought enormous quantities
of both foodstuffs and manufactured
products, goods obtained in previous
years from Europe.

Argentina doubled her purchases in
the United States in the year 1915.
She spent with American firms \$52,
000,000 as compared with \$27,000,000
the preceding year. Brazil increased
her purchases from \$23,000,000 to \$34,
000,000. Chile bought \$17,000,000
worth, an increase of \$4,000,000. Pro-
portionate advances in the year's ex-
ports to other countries were an-
nounced by Secretary Redfield today,
making public completed customs re-
turns. Total exports to the whole
of South America amounted to \$322,
000,000 as against \$229,000,000 the pre-
ceding year.

TWO PROMINENT INSURANCE MEN VISITORS TO DAYTONA

Daytona had the honor today of entertaining two life insurance managers, Col. Walter P. Corbett, of Jacksonville, state manager of the Prudential Insurance Company, and Frank C. Mann, of Boston, the Massachusetts manager of the same company. Mr. Mann is here for his health, a guest of the Ridgewood hotel.

Col. Corbett, accompanied by Mrs. Corbett, and Mr. and Mrs. James B. Marquis, of Norwich, N. Y., were on their way to Palm Beach and Miami by automobile. Colonel Corbett is a persistent booster for Daytona and admits no opportunity to tell people what an attractive resort this city is while here. Col. Corbett greeted Col. Bingham, Major Morris and others with whom friendships were formed years ago in the state military service.
